# Welcome

Welcome to kindergarten! I am looking forward to being your teacher! This school year is going to be fun, innovative and full of new learning opportunities. We are going to learn all about our numbers, letters, sounds, and much more. On the first day of school please bring the following items:

- **Full size backpack** - large enough to fit a two pocket folder. Labeled with your child's name on the inside.
- **Change of clothes** - shirt, pants, two pairs of underwear, and two pairs of socks. Place the clothes in a ziplock bag, labeled with your child's name.
- **Sneakers** - for the playground and the gym. Velcro fasteners are preferred.
- **Water bottle** - a reusable water bottle that closes at the top and does not have a straw. Please write your child's name on the water bottle.
- **Headphones** - over the ear headphones placed in a ziplock bag labeled with your child's name.
- **Donations** - Clorox wipes, tissues, paper towels, ziplock bags (gallon or sandwich), and unscented baby wipes. These items are not required but are appreciated.

Thank you,  
Miss Conte
