We combine the finest popping corn, the right amount of salt and pure sugar cane, then we heat it just right, so that the sugar is melting just as the corn starts to pop — leaving every piece with a thin shell of salty sweetness. Be careful, it's hard to eat just one bite of our handcrafted, gluten free Original Kettlecorn.

108-43571-00498-8

All the taste and crunch you crave, nothing artificial and...here's the best part... only 30 calories per cup. All the taste without the guilt trip.

- All Natural
- Gluten FREE
- Whole Grain
- Non-GMO Corn
- Zero Trans Fat

It's true. Water is good for you. The more you drink  
the better you feel. And since Aquafina's seven-step  
HydRO-7 purification system removes substances  
most other bottled waters leave in, you get pure  
water and perfect taste every time. So make your  
body happy. Drink more water!
