

## Salt City Athletic Conference

President: Scott Sugar – Fayetteville-Manlius

Vice President: Mike Clonan - ESM

Vice President: Ari Liberman - Liverpool

---

December 11, 2020

SCAC Community,

The Salt City Athletic Conference (SCAC) is excited to open the varsity bowling and boys swimming and diving season on December 14, 2020. As we prepare for competitions in our local communities, the ability to host spectators under current COVID guidelines is extremely challenging. At this time, the SCAC has unanimously decided to not allow spectators at bowling matches and swim meets until further notice.

We ask that you please respect this decision. The SCAC's priority is to ensure our competitions occur for our student-athletes. The SCAC will continue to discuss this decision with our member schools and if there are any changes to this policy we will communicate those to you at that time. Thank you for your support of the SCAC and our student-athletes.

Sincerely,

SCAC Conference Athletic Administrators
