

EAST SYRACUSE ELEMENTARY NEWSLETTER

June - 2021

PRINCIPAL'S CORNER

I hope this newsletter finds you well and in good spirits. Those are the most important things to consider. Stay well and be safe this summer.

We are in the final stretch of this school year. The last day of school is **June 25, 2021**. Our remote teachers will continue to post assignments right up to the final day. We are grateful to our families for their flexibility and tenacity. We provided remote and in person learning this year. We know that remote learning can be a challenge. However, you and your students hung in there and got remote and in person learning done. As usual, let your teachers know if you need anything between now and the last day of school.

**Special
Thanks to

THE PTO NEEDS YOU

The ESE PTO meets remotely at 6pm on the second Thursday of each month. They have done a noteworthy job of supporting learning this year despite the challenges we all faced. Please consider attending a PTO meeting soon.

For a link to the meeting, email: rperry@esmschools.org

JUNE CELEBRATIONS

Our June celebrations will not be the same as in a typical school year but we are able to conduct two events in person.

Covid-19 constraints are still with us and require us to limit each student to two guests only. The K and 5th grade teachers will provide more details as we move forward with our planning.

CHARACTER EDUCATION

Our Character Education trait for focus in June is KINDNESS – treat each other with respect no matter the situation.

Our June character education assembly will be virtual on Friday, June 4, 2021.

The social and emotional needs of our students and families continue to be very important to our staff. If you and/or your child need assistance, we can help. We have access to community resources or we can guide you to an appropriate resource. You can let your teacher know if you need social and emotional support or reach out personally to the following staff members:

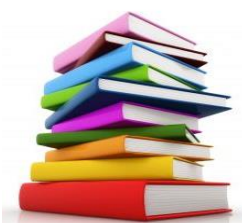

School Counselor, Mrs. Jarvi, cjarvi@esmschools.org

School Psychologist, Mrs. Altimonda
jaltimonda@esmschools.org

School Nurse, Mrs. Stenta, mstenta@esmschools.org.

ELEMENTARY OBJECTIVE

Our Elementary Objective at ESE begins this summer. We are packing our offices and spaces that will undergo construction. I expect the main entrance to be unavailable this summer. More details to follow soon.

All Library Books are due the week of June 7th. Help us prepare for inventory by finding those books!

Class Lists

We are unable to release class lists to families at this time due to the many variables under consideration this year. A letter will be sent home advising you of the classroom assignment for your child as soon as the lists are finalized. We expect the mailing to go out in late July or early August.

CONGRATULATIONS CHEETAH CODERS

Ms. McGarry and Mrs. Coolbeth's online coding club just wrapped up. Three cheers to Liam Beamish, Christina Burts, Jaysen Christopher, Jayden Clark, John Forbes, Saptak Mangar, Alen Mujakovic, and Christella Odrielle for persevering to the very end. Game design is a challenge and these committed students kept up their hard work through eight weeks of after school classes.

At ESE we strive to emphasize the value of educating the whole child. Our teachers will continue to engage students in Art, Music, and PE during distance learning right up to the last day.

Please see the calendar that follows for some important dates in the Month of June.
